

Sahlgaard, Hagbarth

Aug. 5, 1879

Hill to J.S. Kennedy & Co.

Re Boissevain & Co's letter enclosed from Upham. Better tell Lippman, Rosenthal & Co. to make public that Salgaard "is the cashier of a savings bank here whose capital is \$25,000!" It "owns the bonds represented by Salgaard... who has neither standing in the court or the community."
