

St. John River, Canada

July 17, 1898

To J. S. Kennedy

St. John River property. Method of leasing it has changed during the past few years. A brother of Sir Louis Davies made a ten-year lease for Hill, but just how, Hill does not know. His brother is prominent in present Dominion Administration.

The Milk River line of all Great Northern's leased lines shows highest density of traffic The Eastern in Minnesota is first on the System itself, and the Montana Central is second.
