

St. John, Molyneux

April 11, 1881

Hill to St. John, London

I have your note of 17th and am very glad to hear of your appointment. The experience you have gained during your stay in the North West will be of great help to you in your new position... Mrs. Hill and the children are all well. With kind remembrance to Mrs. St. John and yourself.

St. Paul M. & M. Ry. Letter Book 4:892 (1880-1881)
