

St. John, [Molyneux][?]      June 24, 1893

Geo. P. Bliss to J.J.Hill.

In footnote at bottom of letter, written from Winnipeg, Bliss mentions a St. John with the "C.R.I. & P. (Chicago, Rock Island and Pacific Road). Since Bliss is also an immigration agent, and mentions coming "to this country in 1881" it is entirely possible that the St. John he mentions is Molyneux St. John.
