

St. Paul & Duluth Road

March 10, 1887

Hill to Wm.H.Rhawn,V.P., Philadelphia

"The business of the Manitoba road for the past two years has suffered very unreasonable delay and loss for want of facilities at Duluth.To help the situation out we have built a yard, dock, and elevator at an expense of \$500,000, but even with this our business will be greatly hampered."
