

St. Paul and Duluth Ry. Co.      Nov.26, 1898

To R. Somers Hayes

"We are building the cut-off from Coon Creek to Pokegama by the most direct line, which takes it through Cambridge ... cuts off about 37 miles ... to the head of the Lake." "We have no desire to parallel the St. Paul and Duluth or take away from it any business."

JJH Letter Book, 10/11/95 - 3/13/99, p. 475
