Hill to Schiff

I wired you today the result of Senator Davis' and Mr. Sanborn's investigation as to the power of the Gt. Northern Co. under its charter as affected by the state legislation of 1874 and 1881 respectively. Details; also expressions of confidence in the unusual abilities of Davis. Sanborn (brother of the Hon. Walter H. Sanborn, "Judge of the U.S. Court of Appeals before whom the case would undoubtedly be tried.").
