

Schiff, Jacob H.

October 29, 1898

Telegram. Jacob Schiff to J.J.Hill.

The Nor. Pacific-Oregon Railroad & Nav. Co. situation is very serious. Schiff and Harri-man do not trust Mellen and Coster. Believes Mohler should return West to "head off the surveys they have already begun." Asks Hill to come East "to help saving situation if possible."

General Correspondence by Date.
