

Shevlin, T. H.

August 18, 1905

Hill to Howard Elliott, Pres., Nor. Pac. Ry. Co.

Re insufficient notice of timber sale opposed by T. H. Shevlin, whose two enclosed letters as president of Shevlin-Carpenter Lumber Co., one of the largest lumber companies in northern Minnesota report that one Minneapolis lumber company appears to be favored by the sale. It is building a lumber road from a point on the Soo Line, though the lumber is tributary to N.P.
