

Shorthorn cattle

July 1, 1885

Hill to F.M.Byrkit, Red Oak, Iowa

Sends catalogue of his shorthorn cattle, which does not include this year's importations: 2 Oxfords & 3 Duchesses. The white bull calf is extra large, price \$2000. Calves "Lord Winsom" & "Worcester Duke," each \$500.00. I have bull "Grand Duke Worcester" out of same cow for my own herd. I think next year I will have a sale annually at the Minn. State Fair.
