

Small, S. S.

February 12, 1886

Hill to Small, Pres. Motor Line Minneapolis  
Re "Electric Motor" line. "I understood that  
nothing was to be paid on this account unless  
the practicality of the plant was fully demon-  
strated. If it should not prove satisfactory,  
as is very probable, there may be some diffi-  
culty in getting the money back."

JJH LetterBook, 9/12/85 - 3/22/86, p. 785
