

Smith, Donald [Lord Strathcona].

Possible sources of information :

1. It is possible that W.T.R.Preston, who is mentioned at the end of the article on Strathcona in the Dictionary of National Biography might be able to furnish some.
2. Possibly something might be found in the Montreal newspapers just after Strathcona's death.
3. Try the Public Archives of Canada

in case Dr. Kaye Lamb has been able to
get some of these papers.
