

Smith, William E.

April 29, 1886

Hill to Samuel Thorne

Re urgency of finding a solicitor for this [Manitoba Road ] company. When could Mr. Smith come? Our land department under the new commissioner is making very satisfactory progress and if we could get the grant adjusted at Washington we would make some heavy reductions in our first mortgage bonds. "We begin to feel the effect of stock traffic in Devils Lake. This week and next we ship 4000 head to that point for the Milk River Valley."
