

St. Vincent, Minnesota June 20, 1890

Wm Deacon to W. A. Stephens.

Deacon, who was editor of the St. Vincent
New Era regrets that Hill will no longer
place want ads in the "Era." Feels that he
has helped to reduce taxes on land owned by
the St. Vincent Townsite Co by one half.
Also believes that Capt. Donaldson's feeling
towards him is unjust.

General correspondence by date.
