

Stephen, George
Hill to Stephen

January 24, 1885

Re H. Browne's wish to sell his share in Webster Coal Co. property, which Hill has had to carry thus far for him. Will Stephen and Angus agree to this? "I think the property is a good investment in the long run, but it will bring no income and will be an expense until it is connected with some railroad and developed."

JJH LetterBook, 10/18/84 - 3/14/85, p. 483
