

Stephen, George

September 13, 1882

Hill to Stephen

Encloses note from our Land Commissioner, Mr. Power, "in which he claims that we have done ourselves an injustice in not advertising our Lands in Canada, inasmuch as the Canadian Pac. Railway has failed to cover that territory and it has been thoroughly worked by the Northern Pacific, Milwaukee & St. Paul and Chicago, North Western, and other companies having land grants in adjoining states and territories."

St. P. M. & M. Ry. Letter Book 6: 473(3/24/82-4/23/82
