Hill to Stephen

Track should be through to Barnesville by Nov. 15. Encloses statement of earnings for first week of October. "I want to go over Farley's accounts on file in the court also his Trustees accounts since the foreclosure" but have not had time". I trust Mr. Angus will be here by the first of the month, as there are many things which need the attention of some one who will see them done thoroughly." Re Pembina Branch affairs.
