

Stephen, George

November 21, 1879

J.S. Kennedy to Stephen, St. Paul

Re instructions from Stephen about Manitoba Road bonds; asks for further instructions, their transportation and registration.

Typed copy in Hill's papers; source unknown but since Stephen was in St. Paul, and since he always made copies of his letters in Hill's letterbooks when in St. Paul, JJH may have had a letterpress copy in his own papers, but if so, it is now lost
