

Stephens, W.A.

September 18, 1906

W.A. Stephens to John J. Toomey.

"frankly, I do not like the way Mr. Hill has directed the management of the Great Fall Water-Power & Townsite Company's affairs. The stockholders who pay any attention to the affairs of the Company feel that the Townsite Company has been sacrificed for the benefit of the Railway Company and that Mr. Hill has not accorded justice or fair dealing to the stockholders of the Townsite Company.'
