Stevens to Hill

As vice pres. of N.Y., New Haven & Hartford,
to Hill

Informing Hill "that the Milwaukee & St. Paul intend this year to extend their line from Hutchinson to Litchfield & then to build parallel to the Breckenridge Div (GN) to Benson, Morris, etc. thro Willmar. Then to extend from Fargo thro Grand Forks -- to a connection with the Canadian Northern, at or near Neche ... also that the Milwaukee and St. Paul, is going to handle all Duluth business - frt & pass., over the old St Paul & Duluth - with its own trains by reason of its joint rights with the N.P. con

necting with the Canadian Northern - which, as
you know - comes in to Duluth over the Missabe
road."
