August Belmont Jr. to Hill.

As an investor I crave information  
about recent railway matters.  
"In the first place, we will discuss  
the 'market' the breaking up of the  
pool in the stock here etc etc." What  
I should like to know... what your  
trouble with the Fargo & Northern amounts  
to & whether it will effect [sic] the  
property (the m + m) itself & what extent  
there is trouble there seen your corporation  
& the Canadian Pa. R.R.
