

Taylor, Maud [Van Cortlandt] [May, 1901]

Copy of press notice of Maud Taylor's engagement to Louis W. Hill.

This article states, "Last fall [1] upon arriving here with her father, Miss Taylor being of a practical turn apprenticed herself as a trained nurse rather than bother with society. She entered the Presbyterian hospital but while a probationary nurse she was taken down with typhoid fever from which she was only recently recovered."

General correspondence by date.
