

Thompson, George

October 11, 1889

Thompson to JJH, General Correspondence

Thompson (of the St. Paul Dispatch) wishes JJH to aid him financially by purchasing his piece of Summit Ave. real estate (located between Grotto & St. Albans sts.). Includes hand-drawn map of neighborhood, locating nearby houses & lots with their values. Notes: "I could have traded for other real estate to several prominent Irishmen who desire to live within easy distance of town, and the new Cathedral to good advantage...."
