

Thomson, Frank

August 19, 1885

JJH to Thomson, JJH Letterbook 3/15/85--9/8/85, p. 803

"There are but few buffalo left anywhere. The only band I know of is about sixty miles south of Canadian Pacific. Can get elk and antelope on that line. Can arrange for your car or will furnish you special engine to go out on that Road. You can do both C.P. and our Road on same trip say two or three weeks and can find all the ducks and geese you can shoot as well as grouse...."
