November 26, 1894

Samuel Hill to J.J.Hill

Re J.J.Hill's supposed ownership of 200 shares of stock in Red River Land & Water Power Co., of which he knew nothing, since the stock had been "issued in his name by Andrew G. Tod without his knowledge and was used by Mr Tod to get a loan of a large sum for himself." See also letter of H.C. Eller to M.C. Healion, Dec. 7, 1895
