

Towne, [Charles A.]

October 28, 1898

James H. Eckels to J.J.Hill.

"It has come to me that there is a strong possibility, if not probability, of Towne (silver republican-populist) carrying the Duluth District as against Judge Morris, present representative"... "Towne is quite ablest of the Free Silver people and would keep things stirred up all the time."

General correspondence by date.
