

Tuck, Edward

July 17, 1898

Hill to Tuck, Paris

Sweeping reductions made in freight rates on grain, principally in Minnesota and North Dakota. Large addition made to our passenger and freight equipment - 41 new locomotives, &c. Prices of course will be much lower than the Leiter famine prices.

JJH LetterBook, 11/10/95 - 3/13/99, p. 355
