Underwood to JJH, General Correspondence

Underwood is General Manager of the Mpls, St. Paul & Sault Ste. Marie Ry. Co. (Soo Line). "I find that Messrs. Laudenburg & Tollman, Hebrew Bankers, of New York City, are the parties who are represented in Milwaukee by Mr. Ferdinand Schlesinger. My impression is that these parties represent the Syndicate who are handling the mines, and that there is still another party who are engaged in the railroad scheme, whose names I do not know."
