

U.S. - Gen.Land Office      March 24, 1888

Hill to H. B. Strait, Washington

[John] Morgan "feels the great importance of opening up the [Montana Extension] country. The matter of any difference between the present land laws and possible change required will not be great."

JJH LetterBook, 6/6/87 - 4/12/88, p. 650
