

Van Horne, W.C.

Sept. 16, 1888

W.C. Van Horne to J.J. Hill.

Thinks nothing can be done in the matter of the Manitoba parliament setting aside its agreement with the Manitoba Central Railway.

States that "as McArthur, who represents the Manitoba Central Railway, is as obnoxious to the Dominion Government as Mr. Greenways Government can possibly be, I do not think there is any hope of inducing the Dominion Government to intervene."
