

Van Horne, William C.

October 22, 1915

Hill to C. H. Mackintosh, Ottawa carbon

Tells of his early association with Van Horne when superintendent of the Southern Minnesota Railroad and when general superintendent of the Milwaukee Road; and of Van Horne's wide interests (geology, pictures, porcelain, &c.); of Hill's recommendation of Van Horne to the Canadian Pacific Road; and of his beginning work with road west from Broadview beyond Brandon in Manitoba.
