

Wade, I.C.

February 14, 1890

Wade to JJH, General Correspondence

Angry letter about JJH's statements in earlier letters [see letters in St.P.M.& M. Letterbook 10/24/89-6/9/90] concerning a personal contribution to North Dakota's state fair and certain RR rates for state fair exhibit shipments. Concludes: "Well there is no use discussing the point. But I insist on being placed right."
