

Ward, Frank E.

January 26, 1910

Frank E. Ward to James J. Hill.

"I have been informed that at a meeting of the Burlington directors, to be held in the near future, M^r Miller will be elected President and M^r Byram Vice-President of the Company."

Has been informed that Byram will take the place of Willard, who has resigned. Ward feels that he, himself should have this position.
