

Weber, Henry

Dec. 21, 1893

Weber to JJH, Gen. Corresp.

"You probably have known my father who had store on upper Third St. before and after 1860. I also was in the Council as Alderman from 1886 to 1890, at present am out of business having sold out my clothing store on Wabasha St. in 1889." To make money, wants to sell to JJH photos taken in Europe.
