

Whitely, Benj.

Feb. 2, 1899

Memo of W. P. Clough to Hill, enclosing letter from John Sterling to Clough in which Sterling recommends finding a position for Whitely on the Baltimore & Ohio Road. "Whitely is a very loyal man to our interests and certainly understands the early history of the D & W [Duluth and Winnipeg Road] and the connection of the original parties with it, better than any other man I know."
