

Winnipeg & Western Transportation May 17, 1880  
Company

Richard B. Angus, v.p. to A. T. Drummond, Montreal

I believe "that a majority of the parties interested in the Winnipeg & Western Transportation Company would, if the arrangement could be carried out, immediately, dispose of their Stock to the new combination at par." Capt. [E.V.] Holcombe last season had a profit of about \$20,000 and anticipates one of \$25,000 this."
