

Wood as fuel

Dec. 26, 1876

Hill to Jno. A. Armstrong, Minneapolis

Can get a good active team of work horses and driver for the winter for \$25.00 per month and we board the man and feed the team. If Rowe is paying more [near Lake Minnetonka?] let me know and we will send these to him.

Hill & Acker Letterbook 10/5/76-11/14/77, p.225
