

Wyoming - Natural resources

Dec. 30, 1901

G.B. Harris to Hill

It would be a mistake to let A.B. Stickney and the St. Louis Trust Co. (figuring now on "making a connection with Senator Clark's road at Salt Lake") in Wyoming; "the resources of that country are great and valuable coal-oil - iron- and soda." "We ought to occupy that country before anyone else gets a big foothold."
