

Hill, James J. - Physical condition
His wife's diaries are an excellent source for
information on this topic. In Oct. 1892 he was
suffering from a "sore arm," which appears to
have been bursitis.

Hill, James J. - Physical condition

"Papa has grown so stout that all his clothes
must be let out."

Mary T, Hill's diary, August 18, 1913

Hill, James J. - Physical condition

has light case of shingles

Mary T. Hill's diary, Sept. 19
goes horseback riding, Oct. 1, 1914
