SCOPE AND CONTENTS OF THE RECORDS

Photographs, assorted sizes, mostly black and white, documenting a wide range of topics related to employment and economic development, including developmentally disabled persons in the workplace, mobile offices, Minnesota State Fair educational exhibits, veterans, regional and metropolitan employment offices, Hubert H. Humphrey Job Corps Center, vocational and rehabilitation programs, Hubert H. Humphrey's visits to the St. Paul and Minneapolis youth opportunity centers, and youth programs. There are also photographs of commissioners and assistant commissioners and proclamations and signings. Although these photographs were held by the Employment and Economic Development Department, they were most likely created under its predecessors, the Trade and Economic Development Department and Economic Security Department, which merged in July 2003.
