HEALTH DEPARTMENT
Hospital Services Division

An Inventory of Its Health Care Facilities Files

OVERVIEW OF THE RECORDS

- Agency:** Minnesota. Hospital Services Division.
- Series Title:** Health care facilities files,
- Dates:** 1912-1995.
- Abstract:** Inactive files of license records, correspondence, inspection reports, and other materials regarding licensure and inspection of all types of health care facilities.
- Quantity:** 189.0 cu. ft. (189 boxes).
- Location:** See Detailed Description section for box locations.

SCOPE AND CONTENTS OF THE RECORDS

License applications and records, correspondence, Health Department inspection and compliance reports, and miscellaneous other studies and reports regarding licensure and inspection of hospitals, nursing homes, maternity homes, sanatoriums, treatment centers, group homes, and other health care facilities. The files cover facilities that closed, changed ownership, or for other reasons were removed from the licensed rolls or their prior files closed.

The dates on the file list are those during which the facility was licensed. Some materials in the files may pre-date or post-date the licensure dates.

Two boxes of closed facilities files were accidentally destroyed at the state records center in 1997.

ARRANGEMENT OF THE RECORDS

In several overlapping sequences, each alphabetical by name of community, thereunder by name of facility.

RELATED MATERIALS

Health Department: Hospital Services Division: Maternity hospital licensing files (cataloged separately) contains related records; also Minnesota State Planning Agency: Human Services Division: Health Systems Agency records and 1122 review program records.
