

Note to Researchers: Most of the committee minutes are mimeographed copies, unless otherwise noted. Their status as official committee records is unknown. Some were transferred to the State Archives from the Legislative Reference Library and presumably are not the official copies; others are labeled "Office Copy"; and others are labeled with the names of individual senators.

To request materials, please note both the location and box numbers shown below.

Location	Box	
108.J.1.9B	2	1956-1957. Tax Committee. Minutes and agenda materials. 1 expansion folder. Minutes (mostly ribbon copies signed by the committee secretary), agenda materials, and exhibits.
