Records.

Note to Researchers: To request materials, please note both the location and box numbers shown below.

Location	Box	
102.E.15.4F	1	Transit Development Committee Meeting Packets, September 1975 - October 1978. 6 volumes and 1 folder. Metropolitan Transit Committee for the Disabled: Meeting Packets, September 1977 - July 1978. 2 folders. Folder 1 includes the resolution establishing the committee, bylaws, and goals.
102.E.15.5B	2	Transportation Development Correspondence, 1972-1979. 11 folders. Correspondence and memos regarding transit development projects and programs, including employee commuter vans, low capital alternatives for urban transportation, parking policies, multi-occupancy vehicles, variable work hours, school buses and integration, coordination of taxi services, shared ride services, and senior citizen fares. The records are not chronological and do not appear to have any topical order. Staff correspondents include the division director, engineers, and the director of the MTC. Transit Development Chronological Files, 1976-1980. 17 folders in 2 boxes. These files are similar to the correspondence above, but are in chronological order; missing 1977. January 1976 - June 1976. 14 folders.
102.E.15.6F	3	1978-1980. 3 folders. Transit Development Monthly Progress Reports, 1972-1975. 2 folders. Reports for later years are found in Transit Development Committee meeting packets. Community Centered Transit Service (CCTS) Project Correspondence, 1975-1979 (bulk 1975-1976). 12 folders. Unorganized, although there are some topical concentrations. Many are photocopies of internal MTC memoranda and reports. Federal Aid Urban (FAU) System Correspondence, 1974-1978. 4 folders.
102.E.15.7B	4	I35W Urban Corridor Demonstration Project Files, 1970-1975. 11 folders. Correspondence, management board minutes, working papers and status reports, and grant application.
