POLLUTION CONTROL AGENCY

Water Quality Division

An Inventory of Its Water Quality Reports

OVERVIEW OF THE RECORDS

- Agency:** Minnesota Pollution Control Agency. Division of Water Quality.
- Series Title:** Water quality reports,
- Dates:** 1927-1983.
- Abstract:** Reports of stream pollution investigations, sewage field investigations, and studies of the quality of river water.
- Quantity:** 7.5 cu. ft. (8 boxes)
- Location:** See Volume/Folder List for box locations.

SCOPE AND CONTENTS OF THE RECORDS

Typed, near-print, and printed reports of stream pollution investigations, sewage field investigations, and studies of the quality of river water, prepared by the Environmental Sanitation Division and the Water Pollution Control Section of the Minnesota Department of Health until about mid-1967, and thereafter by the Water Quality Division of the Pollution Control Agency. Many of the reports contain photographs documenting the studies.

Also included are a report on sewage problems in Albany Village (1956) and at the American Crystal Sugar Company refinery in Moorhead, Minnesota (1951).

ORGANIZATION OF THE RECORDS

These records are organized into the following sections:

- Stream Pollution Investigation Reports, 1927-1948. Volumes A-C.
- Stream Pollution Memoranda, 1930-1960. Volume D.
- Sewage Field Investigation Reports, 1945-1979. Volumes 1-37, plus some unbound reports.
- River Survey Investigations, 1929-1949, 1979-1983. Volumes 39-48.

ARRANGEMENT OF THE RECORDS

The reports are contained in lettered or numbered binders and are numbered within each binder. They follow a general chronological progression within each of the sections listed above. In later volumes, some of the reports appear to be missing.

RELATED MATERIALS

Related materials: Health Department. Water supply reports (cataloged separately); Health Department. Publications (cataloged separately).

OTHER FINDING AIDS

The original of the "Index" [list of reports], prepared by the agency, is in box 1.

INDEX TERMS

This collection is indexed under the following headings in the catalog of the Minnesota Historical Society. Researchers desiring materials about related topics, persons or places should search the catalog using these headings.

Topics:

Appraised.
Investigating.
Lakes--Minnesota.
Monitoring.
Rivers--Minnesota.
Sewage--Environmental aspects--Minnesota.
Water quality--Minnesota.
Water--Pollution--Minnesota.

Places:

Albany (Minn.)
Rainy River (Minnesota and Ont.)--Pollution.

Organizations:

American Crystal Sugar Company.
Minnesota. Dept. of Health.
Minnesota. Division of Environmental Sanitation.
Minnesota. Section of Water Pollution Control.

Types of Documents:

Photographs.

ADMINISTRATIVE INFORMATION

Preferred Citation:

[Indicate the cited volume number or folder title, report number and title, and page here].

Minnesota Pollution Control Agency: Water Quality Division. Water quality reports.

Minnesota Historical Society. State Archives.

See the Chicago Manual of Style for additional examples.

Accession Information:

Accession number(s): 978-87; 986-111

Processing Information:

Appraisal statement: Most of these reports were microfilmed by the agency. The originals were transferred to State Archives due to poor legibility of many original pages, the presence of photographs, and subsequent interfilings or replacements with better-quality copies.

Primary value to both agency and other users is informational, providing data on water quality for future consultation or comparison.

Retention and disposition: Retained in agency until microfilmed. Microfilm copy retained permanently in agency (#84-436, items 26, 27)

PALS ID No.: 0800007960 RLIN ID No.: MNHV86-A389

VOLUME/FOLDER LIST

Note to Researchers: To request materials, please note both the location and box numbers shown below.

List of Reports.

[the original from which the List of Reports below was typed]

Stream Pollution Investigation Reports, 1927-1948. 3 volumes.

Volume A, 1927-1934

Volume B, 1935-1942

Volume C, 1943-1948

Stream Pollution Memoranda, 1930-1960. 1 volume.

Volume D, 1930-1960

Sewage Field Investigation Reports, 1945-1979. 39 volumes.

Volume 1, 1945-1946

Volume 2, 1947

Volume 3, 1948

Volume 4, 1949

LIST OF REPORTS

Note to Researchers: To request materials, please refer to the volume/folder list above to obtain the box number and location for the desired volume.

Vol.	Report #	
A	1	Investigation of effect upon fish and other aquatic animal life of the discharge of creamery waste into Lake Elmo [Washington County], August 8-12, 1927. Key words: ciscoes, fish kill.
A	2	Investigation of condition of lakes and water course [North St. Paul, Ramsey County], August 25, 1927. Key words: Kohlman Lake, Gervais Lake, Lake Phalen, phytoplankton, macrophytes, water chemistry.
A	3	Investigation of pollution of Chisholm Creek (biological) [St. Louis County], September 27-28, 1927. Key words: dissolved oxygen, periphyton, macroinvertebrates.
A	4	Investigation of Detroit Lake, Detroit to Muskrat Lake Canal, Muskrat Lake, Lake Sallie and Monson Lake (biological) [Becker County], October 18-25, 1927. Key words: macroinvertebrates, algae, water chemistry.
A	5	Investigation of Lake Agnes [Alexandria, Douglas County], January 13, 1928. Key words: algae, zooplankton.
A	6	Investigation of Lake Sakatah [Waterville, Le Sueur County], January 19-20, 1928. Key words: winter kill, rough fish, algae, zooplankton, water chemistry.
A	7	Investigation of pollution of the Des Moines River [Jackson County], March 29-30, 1928. Key words: water chemistry.
A	8	Investigation of Hill Lake [Hill City, Aitkin County], June 25, 1928. Key words: silviculture, sewage.
A	9	Investigation of sample of water [McCarron Lake, Ramsey County], June 30, 1928. Key words: algae.

Vol.	Report #	
A	10	Investigation of pollution of Foot and Willmar Lakes [Kandiyohi County], May 14-16, 1928. Key words: sewage, water chemistry, water level.
A	11	Investigation of appearance of chironomids [Frontenac, Goodhue County], May 21, 1928. Key words: midges.
A	12	Investigation of Lake Sakatah [Waterville, Le Sueur County], March 24, 1928. Key words: winter kill, algae, zooplankton, water chemistry.
A	13	Investigation of Pokegama Lake [Pine City, Pine County], April 3-4, 1928. Key words: algae, zooplankton, water chemistry.
A	14	Investigation of Orchard Lake [Dakota County], June 27, 1928. Key words: macrophytes, harvesting, dissolved oxygen.
A	15	Investigation of diseased fish [Stillwater, St. Croix River, Washington County], June 27, 1928]. Key words: commercial fishing, injury in seining.
A	16	Investigation of diseased bass [Grand Rapids, Itasca County], July 30, 1928. Key words: parasite infestation.
A	17	Investigation of June Lake [Ironton, Crow Wing County], August 2, 1928. Key words: mining runoff, filling.
A	18	Investigation of Rainy River (preparatory pollution survey) [Baudette, Lake of the Woods County], August 14, 1928. Key words: pulp and paper industry, spawning grounds.
A	19	Investigation of Pokegama Lake [Pine City, Pine County], November 27, 1928. Key words: winter kill, algae, zooplankton, water chemistry.
A	20	Investigation of Lake Sakatah, Lake Tetonka, Mud Lake, Lake Elysian, Lake Sabre, and McCabe's Lake [Waterville, Le Sueur County], February 14-16, 1929. Key words: winter kill, dissolved oxygen, algae, water.
A	21	Investigation of biological examination of material obtained from water supply [Brainerd, Crow Wing County], March 15, 1929. Key words: iron bacteria.

Vol.	Report #	
A	22	Investigation of material obtained from water supply [Little Falls, Morrison County], April 6, 1929. Key words: iron bacteria.
A	23	Investigation of infected bullheads, February 16, 1929. Key words: unknown growths.
A	24	Investigation of nuisance situation [Lake Bemidji, Beltrami County], July 2, 1929. Key words: sewage, algae, macrophytes.
A	25	Investigation of Lake Minnewaska [Glenwood, Pope County], August 2, 1929. Key words: sewage, macroinvertebrates, water chemistry.
A	26	Investigation of Lakes Sakatah and Tetonka and Cannon Lake [Rice and Le Sueur counties], June and August, 1929. Key words: algae, rough fish, zooplankton, dissolved oxygen.
A	27	Investigation of Pokegama Lake [Pine City, Pine County], spring and summer, 1929. Key words: algae, dissolved oxygen.
A	28	Investigation of pollution of the Straight and Cannon Rivers [Rice, Steele, and Goodhue counties], 1928-1930. Key words: sewage, water chemistry, macroinvertebrates. [For additional 1930s, see Volume D]
A	29	Investigation of Clearwater Lake [Waconia, Carver County], June 26, 1930. Key words: sewage, macroinvertebrates.
A	30	Investigation of alleged pollution of Minnesota and Whetstone rivers [Ortonville, Big Stone County], August and September, 1930. Key words: sewage, water chemistry, macroinvertebrates.
A	31	Investigation of pollution of South Fork of Crow River [between Delano and Watertown], August 19, 1930 to February 11, 1931. Key words: sewage, algae, dissolved oxygen.
A	32	Memorandum on trip to Albert Lea and Alden to investigate loss of fish at Alden [Freeborn County], June 30 and July 1, 1931. Key words: fish kill, algae, dissolved oxygen.
A	33	Investigation of Kelly Lake and Snowshoe Lake [St. Louis County], April 29, 1931. Key words: sewage, algae, zooplankton, water chemistry.

Vol.	Report #	
A	34	Investigation of rendering plant [Redwood Falls, Redwood County], September 10, 1931. Key words: sewage, bacteria, BOD [biochemical oxygen demand], dissolved oxygen.
A	35	Investigation of Lake Frances [Bradford Township, Isanti County], September 18, 1931. Key words: water levels, algae, zooplankton, water chemistry.
A	36	Investigation of pollution of Lake Elmo [Washington County], August 18 to September 2, 1931. Key words: sewage, dissolved oxygen.
A	37	Investigation of loss of fish [Howard Lake area, Wright County], October 16, 1931. Key words: rough fish.
A	38	Investigation of Long Lake [New Brighton, Ramsey County], December 16, 1931. Key words: sewage, ice harvesting, bacteria.
A	39	Investigation of oxygen conditions in Maple Lake [Polk County], January 28, 1932. Key words: winter kill, dissolved oxygen.
A	40	Investigation of Lakes [Rice and Le Sueur counties], February 4-10, 1932. Key words: dissolved oxygen. Lakes: Bully Wells, Scotch, Cannon, Sakatah, Gorman, Tetonka, Roberds, General Shields, French, Mazaska, Greenleaf.
A	41	Investigation of Clearwater Lake [Waconia, Carver County], May 2, 1932. Key words: sewage, dissolved oxygen, BOD [biochemical oxygen demand], macroinvertebrates.
A	42	Investigation of pollution of Cold Springs Creek [Stearns County], June 29, 1932. Key words: fish kill, industrial sewage.

Vol.	Report #	
A	43	Investigation of fish life in certain stream tributaries to the Red River of the North, June 10-16, 1932. Key words: fish species, seining. Rivers: Red Lake River, Clearwater River, Wild Rice River, Buffalo River, Popular [Poplar?] River, Lost River, Snake River, Tamarack River, Middle River, Marsh River, Sand Hill River. Counties: Becker, Clay, Mahnomen, Marshall, Norman, Polk, Red Lake.
A	44	Investigation of water in lake [Clear Lake, Waseca, Waseca County], August 3, 1933. Key words: urban runoff, fish kill, algae, water chemistry, zooplankton.
A	45	Investigation of Fayal Creek [Eveleth, St. Louis County], August 16, 1933. Key words: Elbow Lake, sewage, algae, zooplankton.
A	46	Investigation of pollution of High Island Creek [Arlington, Sibley County], August 28, 1933. Key words: sewage, fish kill.
A	47	Investigation of fish losses [North Lindstrom Lake, Chisago County], June 6, 1934. Key words: algae, water levels, parasitic fungi, sewage.
A	48	Investigation of pollution [Douglas Lodge, Mary's Creek, Itasca State Park], August 16-17, 1934. Key words: Sewage, algae, water chemistry, Mary's Lake, Lake Itasca.
A	49	Investigation of bottom fauna of pool sections of Mississippi River [Anoka to Frontenac, Anoka County], September 18-21, 1934. Key words: macroinvertebrates, sewage, Inver Grove, Grey Cloud Landing, Hastings Dam, Lake Pepin.
A	50	Investigation of condition of Rum River [between Cambridge and Anoka, Isanti County], October 11, 1934. Key words: sewage, bacteria.
A	51	Investigation of oxygen conditions of lakes [Jackson County, Cottonwood County], December 17-20, 1934. Key words: winter kill, dissolved oxygen, Pearl Lake, Rush Lake, Round Lake, Cottonwood Lake, Indian Lake, Loon Lake.

Vol.	Report #	
B	1	Investigation of oxygen conditions [Bass Pond, Hutchinson, McLeod County], January 3, 1935. Key words: dissolved oxygen.
B	2	Investigation of dissolved oxygen conditions in Cannon Lake [Faribault, Rice County], January 8, 1935. Key words: dissolved oxygen, commercial fishing.
B	3	Investigation of oxygen conditions in Crow River [Hanover, Hennepin County, Wright County], January 10, 1935. Key words: sewage, dissolved oxygen.
B	4	Investigation of oxygen conditions in Lake Sakatah [Rice and Le Sueur counties], January 10, 1935. Key words: winter kill, dissolved oxygen.
B	5	Investigation of oxygen conditions in lakes [of] Southwestern Minnesota, January 15-18, 1935. Key words: winter kill, dissolved oxygen. Lakes: Hanska, Okamanpeedan, Wilmont, Amber, Cottonwood, Budd, Hall, Indian, Ocheda, Okabena, Heron, Windom Bass Pond.
B	6	Investigation of dissolved oxygen conditions [Hanover, Crow River, Wright County], January 15 and 18, 1935. Key words: aeration, dissolved oxygen.
B	7	Investigation of dissolved oxygen content, Lake Crystal [Blue Earth County], January 15, 1935. Key words: winter kill, dissolved oxygen, commercial fishing.
B	8	Investigation of dissolved oxygen content [Big Kandiyohi Lake, Willmar, Kandiyohi County], January 16, 1935.
B	9	Investigation of dissolved oxygen content [Centerville Lake, Anoka County], January 22, 1935.
B	10	Investigation of oxygen conditions [French Lake, Rice County], January 28, 1935. Key words: dissolved oxygen.
B	11	Investigation of oxygen conditions in lakes [vicinity of Hutchinson, McLeod County], January 29, 1935. Key words: winter kill, dissolved oxygen. Lakes: Marion, Otter, Belle, Hook, Jenny, Bass Pond.

Vol.	Report #	
B	12	Investigation of dissolved oxygen conditions [Little Waverly, Swart Watts, and Locke lakes, Wright County], January 30, 1935. Key words: winter kill, dissolved oxygen, algae.
B	13	Investigation of dissolved oxygen conditions in Lake Shetek [Tracey, Lyon County], February 1, 1935.
B	14	Investigation of dissolved oxygen [Sabre Lake, Le Sueur County], February 2, 1935. Key words: winter kill, dissolved oxygen.
B	15	Investigation of dissolved oxygen, [lakes in Carver and Wright counties], February 8, 1935. Key words: winter kill, dissolved oxygen. Lakes: Burns, Hyde, Emma, Ann.
B	16	Investigation of dissolved oxygen [lakes Marion and Jenny, Hutchinson, McLeod County], February 13, 1935. Key words: winter kill, aeration, dissolved oxygen.
B	17	Investigation of red ice occurring in Black Wells Lake [Holmes City, Douglas County], February 13 and 20, 1935. Key words: algae, dissolved oxygen.
B	18	Investigation of oxygen conditions [Lake Shetek, Murray County], February 15, 1935. Key words: dissolved oxygen.
B	19	Investigation of oxygen conditions [lakes in Carver and Wright counties], February 18, 1935. Key words: winter kill, dissolved oxygen, algae.
B	20	Investigation of oxygen conditions in Pelican Lake [near Alexandria, Douglas County], February 20, 1935. Key words: water levels, winter kill, dissolved oxygen.
B	21	Investigation of dissolved oxygen conditions [Riley Lake, Lake Lucy, and Lake Ann near Chanhassen, Carver and Hennepin counties], February 20, 1935. Key words: winter kill, dissolved oxygen.
B	22	Investigation of Oxygen conditions in lakes [Hyde and Miller lakes, Waconia, Carver County], February 27, 1935. Key words: winter kill, dissolved oxygen.

Vol.	Report #	
B	23	Investigation of lakes in southwestern Minnesota [Crystal Lake, Budd Lake, Hall Lake, Martin County], March 4 and 5, 1935. Key words: dissolved oxygen.
B	24	Investigation of alleged loss of fish [Prairie Creek, Dennison, Goodhue County], June 3, 1935. Key words: fish kill, sewage, dissolved oxygen.
B	25	Investigation of fish loss [Prairie Creek, Dennison, Goodhue County], June 12, 1935. Key words: sewage, dissolved oxygen, fish species.
B	26	Investigation of pollution of Sucker Creek and Cokato Lake [Cokato, Wright County], September 11, 1925. Key words: sewage, pollution effect.
B	27	Investigation of dissolved oxygen conditions [Big Kandiyohi Lake, Willmar, Kandiyohi County], January 7, 1936. Key words: water levels, algae.
B	28	Investigation of dissolved oxygen in Southern Minnesota lakes [Cottonwood, Jackson, Martin, Murray, and Nobles counties], January 14-17, 1936. Key words: winter kill, dissolved oxygen, aeration. Lakes: Ocheeda, Loon, Fox, Okamanpeedan, Windom Bass Pond, Fulda, Lime, Shetek, Doubles, Fish, Heron.
B	29	Investigation of dissolved oxygen content in Lake Marion [Brownton, McLeod County], January 20, 1936. Key words: winter kill, dissolved oxygen.
B	30	Investigation of dissolved oxygen [lakes near Faribault and Waterville, Le Sueur County and Rice County], January 21, 18, and 19, 1936. Key words: winter kill. Lakes: Circle, Union, Wells, Roberds, Cannon, Lake, Mudd.
B	31	Investigation of dissolved oxygen [Southern Minnesota lakes, Cottonwood, Jackson, Murray, and Nobles counties], January 29 and 31, and February 1, 1936. Key words: winter kill. Lakes: Doubles, Windom Bass Pond, Fulda, Okabena, Pearl, Loon, Heron.
B	32	Investigation of dissolved oxygen [Winona Lake, Winona County], February 6, 1936.

Vol.	Report #	
B	33	Investigation of dissolved oxygen in Hyde Lake [Waconia, Carver County], January 28 and 30, and February 6 and 13, 1936. Key words: winter kill.
B	34	Investigation of dissolved oxygen in Goose Lake [Scandia, Washington County], February 15, 1936. Key words: winter kill.
B	35	Investigation of dissolved oxygen in Lake Marion [Hutchinson, McLeod County], February 17, 1936. Key words: winter kill.
B	36	Investigation of dissolved oxygen in Southern Minnesota lakes [Cottonwood, Martin, Murray, and Nobles counties], February 18-21, 1936. Key words: winter kill. Lakes: Iowa Lake, Fox Lake, Fish Lake, Okabena Lake, Lake Shetek.
B	37	Dissolved oxygen conditions in Goose Lake [Scandia, Washington County], February 26, 1936. Key words: winter kill, aeration.
B	38	Investigation of dissolved oxygen conditions in Bass Lake [Robbinsdale, Hennepin County], February 26, 1936.
B	39	Investigation of dissolved oxygen conditions in Clearwater Lake [Waconia, Carver County], March 5, 1936. Key words: winter kill, sewage.
B	40	Investigation of dissolved oxygen conditions in Burnes Lake [Waconia, Carver County], March 5, 1936. Key words: winter kill.
B	41	Investigation of dissolved oxygen conditions in Dutch Lake [Howard Lake, Wright County], March 2 and 6, 1936. Key words: winter kill, aeration.
B	42	Investigation of dissolved oxygen conditions in lakes Emma and Ann [Howard Lake, Wright County], March 7, 1936. Key words: winter kill.
B	43	Investigation of dissolved oxygen conditions in Lake Marion [Brownton, McLeod County], March 3 and 9, 1936. Key words: winter kill, aeration.

Vol.	Report #	
B	44	Investigation of pollution of Stanchfield Creek [Dalbo, Isanti County], June 3, 1936. Key words: Stanchfield Lake, sewage, water chemistry.
B	45	Investigation of pollution of South Fork of Crow River [between Watertown and Delano], June 12, 1936. Key words: sewage, algae, fish kill.
B	46	Investigation of pollution of Belle Creek [Hadar, Goodhue County], June 15, 18, and 19, 1936. Key words: sewage, dissolved oxygen, water chemistry, trout.
B	47	Investigation of pollution of Little Cannon River by waste from cheese factory at Nansen [Kenyon, Goodhue County], July 7, 1936. Key words: sewage, trout, dissolved oxygen, BOD [biochemical oxygen demand].
B	48	Investigation of pollution of the Grindstone River [Hinckley, Pine County], July 7, 1936. Key words: sewage, algae, fungi.
B	49	Investigation of condition of Lake Winsted [Winsted, McLeod County], July 15, 1936. Key words: sewage, algae, lake levels.
B	50	Investigation of pollution of Lake Sakatah [Waterville, Le Sueur County], August 7, 1936. Key words: algae, sewage.
B	51	Investigation of fish loss in Elbow Lake [Eveleth, St. Louis County], August 25, 1936. Key words: sewage, fish kill, bacterial infection.
B	52	Investigation of the possibility of polluting Big Lake by pumping water from Elk River [Big Lake, Sherburne County], November 2, 1936. Key words: water levels, algae, bacteria.
B	53	Investigation of dissolved oxygen content, Southwestern Minnesota Lakes [Cottonwood, Jackson, Murray, and Nobles counties], January 26, 27 and 28, 1937. Key words: winter kill. Lakes: Windom Bass Pond, Des Moines River, Okabena Lake, Ocheda Lake, Fish Lake, Lake Shetek, Doubles Lake, Lake Fulda, Loon Lake, Pearl Lake.

Vol.	Report #	
B	54	Investigation of dissolved oxygen content [lakes in Rice County], February 10 and 11, 1937. Key words: winter kill. Lakes: Lake Sakatah, Wells Lake, Cannon Lake, Roberds Lake, Circle Lake, French Lake, Lake Mazaska.
B	55	Investigation of dissolved oxygen content [lakes in Martin County], February 4, 5, and 6, 1937. Key words: winter kill. Lakes: Fox Lake, Silver Lake, Sisseton Lake, Hall Lake, Budd Lake, Amber Lake, Chain Lake.
B	56	Investigation of dissolved oxygen content [lakes in Martin County], February 9 and 10, 1937. Key words: winter kill. Lakes: Iowa Lake, Tuttle Lake, Lake Okamanpeedan.
B	57	Investigation of pollution of Sucker Creek and Cokato Lake [Cokato, Wright County], August 18, 1937. Key words: sewage, fish kill.
B	58	Investigation of loss of fish [Cannon River, Northfield, Rice County], September 9, 1937. Key words: sewage, algae, fish kill.
B	59	Investigation of report on sanitary survey [Jewett Creek, Litchfield, Meeker County], October 1937. Key words: sewage, water chemistry.
B	60	Investigation of loss of fish [Straight River, Clinton Falls, Steele County], October 6 and 7, 1937. Key words: sewage, dissolved oxygen, fish kill.
B	61	Investigation of pollution of Rice Creek [Blaine, Centerville, and Fridley townships, Anoka County; Moundsview and White Bear townships, Ramsey County], October 19-30, 1937. Key words: sewage, phenol, taste and odor, water treatment.
B	62	Investigation of pollution of Stanchfield Creek [Dalbo, Isanti County], November 4, 1937. Key words: sewage, dissolved oxygen, BOD [biochemical oxygen demand].
B	63	Investigation of fish loss in Pike Lake [Moundsview Township, Ramsey County], July 24, 1938. Key words: winter kill, copper sulfate, Long Lake.

Vol.	Report #	
B	64	Investigation of biochemical oxygen demand [Pomme de Terre River, Appleton, Swift County], August 19, 1938. Key words: sewage, BOD.
B	65	Investigation of pollution of Straight and Cannon rivers [Owatonna and Randolph, Steele County, Dakota County], August 31, 1938. Key words: sewage, dissolved oxygen.
B	66	Investigation of pollution of Sucker Creek and Cokato Lake [Cokato, Wright County], August 4 and 7, and September 20, 1938. Key words: sewage, dissolved oxygen, BOD [biochemical oxygen demand].
B	67	Investigation of Whiteface River, vicinity of Cotton [Cotton Township, St. Louis County], November and December, 1938. Key words: sewage, bacteria.
B	68	Investigation of algal bloom in Green Lake [Camp Ojiketa, Chisago County], July 17, 1939. Key words: water levels, algae.
B	69	Investigation of algal bloom in Clear Lake [Forest Lake Township, Washington County], July 17, 1939. Key words: sewage, algae, water levels.
B	70	Investigation of fish loss, [Minnesota River near Blakely, Le Sueur County], August 25, 1939. Key words: sewage, algae, dissolved oxygen.
B	71	Investigation of pollution of Sucker Creek and Cokato Lake [Cokato, Wright County], September 14, 1939. Key words: sewage, dissolved oxygen, fish kill.
B	72	Investigation of fish loss [Dead Coon Lake, Lincoln County], July 10, 1940. Key words: water levels, algae, dissolved oxygen.
B	73	Investigation of stream pollution [Prescott Township, Faribault County], July 25, 1940. Key words: dissolved oxygen, bacteria, BOD [biochemical oxygen demand].
B	74	Investigation of fish losses [Volney Lake, Cordova Township, Le Sueur County], August 1-2, 1941. Key words: fish kill, dissolved oxygen, agricultural runoff.

Vol.	Report #	
B	75	Investigation of pollution in the Crow River and municipal bathing beach [Hutchinson, McLeod County], August 21, 1941. Key words: sewage, algae.
B	76	Investigation of proposed bass pond [Herman Township, St. Louis County], July 9, 1942. Key words: water chemistry, algae, macroinvertebrates.
B	77	Investigation of fish kill [Lake St. Croix, Lakeland, Afton Township, Washington County], September 11, 1942. Key words: sewage, algae, fish kill.
B	78	Investigation of the pollution of Rice Creek and a section of the Mississippi River above the Minneapolis municipal water supply intake [Ramsey County, Anoka County], January 1942 to January 1943. Key words: algae, sewage, agricultural runoff, dissolved oxygen, BOD [biochemical oxygen demand], water chemistry.
B	79	Investigation of Rice Creek including samples from the Rice Creek drainage basin and Northern Pump Company's storm drains [Ramsey County], April 8 and 15, 1943 [1942?]. Key words: water chemistry, bacteria, BOD [biochemical oxygen demand].
B	80	The bypassing of sewage and industrial wastes from the Twin City Ordnance Plant to Rice Creek [Ramsey County], June 27-29 and July 9, 1942. Key words: sewage, bacteria, sewer breakage.
B	81	Investigation of fish kill [Shellrock River, Albert Lea, Freeborn County], October 28, 1942. Key words: cyanide, rough fish, water chemistry.
C	1	Investigation of Rice Creek and Twin Cities Ordnance Plant softening plant [Moundsview Township, Ramsey County], February 2, 5, and 15, 1943. Key words: water chemistry, BOD [biochemical oxygen demand].
C	2	Investigation of release of Cokato Lagoon waste to Sucker Creek [Ramsey County], March 25 and April 16, 1943. Key words: sewage, photos.
C	3	Investigation of release of waste [California Packing Company lagoon, Sleepy Eye, Brown County], April 5, 1943. Key words: sewage, dissolved oxygen.

Vol.	Report #	
C	4	Investigation of Rice Creek and Northern Pump Company's storm drain outlets [Fridley township, Anoka County], May 10, 11, and 18, 1943. Key words: sewage, bacteria.
C	5	Investigation of industrial wastes at Twin Cities Ordnance Plant [Moundsview Township, Ramsey County], May 10, 11, 19, and 20, and July 1, 1943. Key words: Round Lake, water chemistry.
C	6	Investigation of Rice Creek and Northern Pump Company's storm drain outlets [Anoka County], June 24-25, 1943. Key words: bacteria.
C	7	Investigation of effects of sewage treatment plant effluent upon lakes [Lake Agnes and Lake Henry, Alexandria, Douglas County], July 20 and 22, 1943. Key words: sewage, algae, channelization, dissolved oxygen.
C	8	Investigation of pollution of Rice Creek and its tributary lakes [Moundsview Township, Ramsey County], July 29, 30, and 31, 1943. Key words: bacteria, sewage, water chemistry.
C	9	Investigation of laundry waste disposal to Snail Lake [Union Mission summer camp, Camp Otyokwa, Moundsview Township, Ramsey County], August 11, 1943. Key words: bacteria.
C	10	Investigation of pollution of Rice Creek and waste [Moundsview Township, Ramsey County], August 17 and 18, 1943. Key words: bacteria, water chemistry.
C	11	Investigation of alleged fish kill [Cannon River near Byllesby Lake, Stanton Township, Goodhue County], September 1 and 2, 1943. Key words: sewage, dissolved oxygen.
C	12	Investigation of oil pollution of the Mississippi River [Northwest Refining Company, St. Paul Park, Washington County], September 1943. Key words: refinery waste
C	13	Investigation of alleged outbreak of swimmer's itch [Girl Scout Camp Lakamaga on Big Marine Lake, New Scandia Township, Washington County], June 29, 1943. Key words: snails.

Vol.	Report #	
C	14	Routine investigation of Rice Creek and drainage from storm sewers of Northern Ordinance Company [Moundsview Township, Ramsey County], September 15 and 16, 1943. Key words: bacteria, water chemistry.
C	15	Routine investigation of Rice Creek and drainage from Northern Ordinance Company's storm drains [Fridley Township, Anoka County], October 18, 1943. Key words: bacteria.
C	16	Investigation of pollution of Rice Creek, Round Lake, and Northern Ordinance Company's storm drains [Moundsview Township, Ramsey County], December 16, 1943 and January 10, 1944. Key words: bacteria, water chemistry.
C	17	Investigation of oil pollution [Consolidated Coal Treating Company, Twin Lakes, Robbinsdale, Hennepin County], February 10, 1944. Key words: phenol, creosote.
C	18	Investigation of pollution of Rice Creek and Northern Ordinance Company's storm drains [Fridley Township, Anoka County; Moundsview Township, Ramsey County], April 19 and 26, 1944. Key words: bacteria.
C	19	Investigation of pollution of Round Lake [Moundsview Township, Ramsey County], April 19, 1944. Key words: water chemistry.
C	20	Investigation of bathing beach [Cottonwood Lake, Cottonwood County], June 9, 1944. Key words: bacteria, algae, Fish Lake.
C	21	Investigation of pollution of Rice Creek, Round Lake, Valentine Lake, Lake Johanna, and Northern Ordinance Company's storm drains [Moundsview Township, Ramsey County; Fridley Township, Anoka County], September 7 and 11, 1944. Key words: bacteria, water chemistry.
C	22	Investigation of Rice Creek including samples from the Rice Creek drainage basin and from Northern Ordinance storm drains [Moundsview Township, Ramsey County; Fridley Township, Anoka County], December 27, 1944. Key words: bacteria, water chemistry.
C	23	Investigation of proposed bathing beach [Silver Lake, Columbia Heights, Anoka County], May 10, 1945. Key words: bacteria, sewage, algae.

Vol.	Report #	
C	24	Investigation of loss of fish (Peterson's Creek, Lake Waconia) [Lake Township, Carver County], June 22-29 and July 11, 1945. Key words: sewage, Donder's Lake, dissolved oxygen, BOD [biochemical oxygen demand].
C	25	Pollution of Albert Lea Lake [Freeborn County], 1943, 1944, and 1945. Key words: sewage, Fountain Lake, Pickeral Lake, algae, water chemistry, macrophytes.
C	26	Investigation of bathing beach [Blandin Park, Grand Rapids, Itasca County], August 30, 1945. Key words: bacteria, Forest Lake.
C	27	Investigation of pollution of Loon Lake [Waseca, Waseca County], February 25, 1946. Key words: stormwater, oil, dissolved oxygen.
C	28	Investigation of proposed site for dressing room at swimming beach [Cottonwood Lake, Windom, Cottonwood County], March 21, 1946. Key words: design.
C	29	Investigation of municipal bathing beach on Lake Henry [Alexandria, Douglas County], July 1 and 2, 1946. Key words: algae, nutrients, channelization.
C	30	Investigation of use of copper sulfate for controlling blue-green algae in Hall Lake and connected supply lakes [Fairmont, Martin County], July 1, 1946. Key words: copper sulfate, algae, macrophytes.
C	31	Investigation of bathing beach, East Side Lake [Austin, Mower County], July 24, 1946. Key words: urban runoff, algae, bacteria.
C	32	Investigation of pollution of American Legion Memorial Bathing Beach [Stillwater, Washington County], July 15 and 23, and August 13, 1946. Key words: St. Croix River, sewage, bacteria.
C	33	Investigation of outbreak of swimmer's itch at the bathing beach of Westminster Boy Scout Camp Ajawah and the subsequent chemical treatment of the beach, Linwood Lake [Linwood Township, Anoka County], June 25 to October 25, 1946. Key words: copper sulfate, macroinvertebrates.

Vol.	Report #	
C	34	Investigation of pollution of Jewett Creek [Litchfield, Meeker County], March 26 and 27 and April 1, 1947. Key words: sewage, water chemistry, bacteria.
C	35	Investigation of bathing facilities [Foot Lake, Willmar, Kandiyohi County], August 28, 1947. Key words: sewage, Swan Lake, algae.
C	36	Investigation of pollution of Whitewater River [Winona County], August 20-22, September 2-5, September 16-17, 1947. Key words: sewage, water chemistry, bacteria.
C	37	Investigation of pollution of County Ditch Number 21 [Mud and Sanborn lakes at Montgomery, Le Sueur County], September 16 and October 15, 1947. Key words: sewage, algae, bacteria.
C	38	Investigation of sanitary survey of Lily Lake [Stillwater, Washington County], March 2 and 4, 1947. Key words: McKusick Lake, bacteria, algae, water chemistry.
C	39	Investigation of algal growth in lakes [vicinity of Detroit Lakes, Becker County], May 8, 1947. Key words: sewage, algae, water chemistry, macrophytes.
D	1	Investigation of lakes George, Sisseton, Bud, Hall, and Amber [Fairmont, Martin County], January 15-17, 1930. Key words: dissolved oxygen, rough fish.
D	2	Memorandum on conversation with Superintendent of Water and Light Department (G. E. Basom) [Fairmont, Martin County], January 15, 1930. Key words: rough fish, macrophytes, copper sulfate.
D	3	Investigation of East Chain Lake [Martin County], January 18, 1930. Key words: winter kill, dissolved oxygen.
D	4	Memorandum on telephone conversation relative to the lakes at Fairmont [Martin County], January 18, 1930. Key words: seining.
D	5	Investigation of oxygen conditions in Albert Lea Lake [Albert Lea, Freeborn County], January 28, 1931. Key words: sewage, dissolved oxygen.

Vol.	Report #	
D	6	Memorandum on complaints of alleged pollution of Lake Elmo with waste from the milk plant of the Twin Cities Milk Producers Association [Washington County], late 1920s. Key words: sewage, algae.
D	7	Investigation of Wolsfeldt Lake [near Long Lake, Hennepin County], February 5, 1931. Key words: dissolved oxygen, unknown cause.
D	8	Investigation of Elm Creek and the Champlin bass pond [Champlin, Hennepin County], February 5 and 16, 1931. Key words: dissolved oxygen, hydrogen sulfide.
D	9	Investigation of the Cannon River between the Mineral Springs Sanitorium in Welch, Minn. [Goodhue County], February 9, 1931. Key words: spearing, unknown cause, fish kill.
D	10	Memorandum on condition of Crow River at Watertown, Minnesota [Carver County], August 10, 1931. Key words: sewage, algae.
D	11	Memorandum on the ice supply from Long Lake at New Brighton, Minnesota [Ramsey County], October 17, 1931. Key words: ice, Long Lake.
D	12	Memorandum on the creamery waste disposal at Otter Tail, Minnesota [Otter Tail County], October 21, 1931. Key words: Lake Donald, sewage.
D	13	Investigation of oxygen conditions in lakes in Le Sueur and Rice counties, December 17-18, 1931. Key words: dissolved oxygen. Lakes: Gorman, Scotch, Tetonka, Sakatah, Cannon, Bully Wells.
D	14	Memorandum on oxygen conditions in Lake Traverse, January 25, 1932. Key words: commercial fishing, dissolved oxygen.
D	15	Memorandum on stream pollution at Crookston [Polk County], December 18, 1931. Key words: industrial waste, spill, oil.
D	16	Investigation of Byllesby Lake [Randolph, Dakota County], July 27, 1932. Key words: commercial fishing, algae, dissolved oxygen.

Vol.	Report #	
D	17	Investigation of oxygen conditions in Lake Sakatah [Le Sueur and Rice counties], December 28, 1932. Key words: winter kill, dissolved oxygen.
D	18	Memorandum on trip to Centerville, Sandy, and Goose lakes at Centerville and Scandia [Anoka County], January 5-6, 1933. Key words: winter kill, dissolved oxygen.
D	19	Memorandum on oxygen conditions in southwestern Minnesota lakes, January 9-11, 1933. Key words: dissolved oxygen. Lakes: Indian, Fulda, Lime, Shetek, Bingham, Cottonwood.
D	20	Investigation of southwest bay, Clearwater Lake [Waconia, Cottonwood County], January 27, 1933. Key words: sewage, dissolved oxygen.
D	21	A review of the investigation of fish losses and pollution in Shellrock River and in Fountain and Albert Lea lakes [Freeborn County], January 1928 to January 1933. Key words: industrial waste, fish kill, dissolved oxygen.
D	22	Investigation of oxygen conditions in southwestern Minnesota lakes, February 14-17, 1933. Key words: winter kill, dissolved oxygen, aeration.
D	23	Investigation of dissolved oxygen content of Fountain Lake and Albert Lea Lake [Freeborn County], February 21, 1933. Key words: thermal discharge, dissolved oxygen.
D	24	Investigation of oxygen conditions in lakes in Carver, McLeod, and Wright counties, February 28, 1933. Key words: winter kill, dissolved oxygen. Lakes: Parley, Buren's, Winsted, Ann, Emma, Marion, Hook.
D	25	Follow-up investigation of Clearwater Lake [Waconia, Carver County], March 15, 1933. Key words: dissolved oxygen, sewage, industrial waste.
D	26	Investigation of fish loss in Bass Lake [Underwood, Otter Tail County], May 9-10, 1933. Key words: dissolved oxygen, industrial waste, fish kill, parasites, water levels.

Vol.	Report #	
D	27	Information given for copper sulphate treatment of Horseshoe Lake [South St. Paul, Dakota County], June 20, 1933. Key words: herbicide, phytoplankton.
D	28	Memorandum on trip to Rainy River [International Falls, Koochiching County], May 2, 1933. Key words: industrial waste.
D	29	Memorandum on preliminary investigation of Fayal Creek [Eveleth, St. Louis County], August 16, 1933. Key words: industrial waste, Elbow Lake.
D	30	Investigation of oxygen content of the water in southern Minnesota lakes, January 1934. Key words: dissolved oxygen, water levels, aeration.
D	31	Memorandum on oxygen conditions in three bass ponds and Hyde Lake [Champlin, Minneapolis, Hutchinson, and Young America -- Hennepin, McLeod, and Carver counties], February 7-9, 14, 1934. Key words: dissolved oxygen, fish management.
D	32	Investigation of oxygen conditions in Lake Ann, Lake Emma, and Parley Lake [Wright County, Carver County], February 15, 1934. Key words: winter kill, dissolved oxygen.
D	33	Memorandum on oxygen conditions in Lake Rachel [Alexandria, Douglas County]. February 16, 1934. Key words: water level, dissolved oxygen.
D	34	Investigation of oxygen conditions in Pleasant and Centerville lakes [Anoka County], February 20, 1934. Key words: dissolved oxygen.
D	35	Investigation of oxygen conditions in lakes in Wright County, February 28, 1934. Key words: dissolved oxygen.
D	36	Investigation of the loss of fish [in] Lake Gervais [St. Paul, Ramsey County], March 6, 1934. Key words: water level, winter kill.
D	37	Investigation of Buffalo Lake [Buffalo, Wright County], June 16, 1934. Key words: sewage, algal bloom.
D	38	Memorandum on the copper sulphate treatment of the Fairmont lakes [Fairmont, Martin County], June 18-19, 1934. Key words: toxic algal bloom, zooplankton.

Vol.	Report #	
D	39	Investigation of fish loss occurring in Eagle Lake [Cromwell, Carlton County], August 13, 1935. Key words: thermal, fish kill.
D	40	Investigation of the bacteriological pollution of the Minnesota River between Montevideo and Granite Falls, April 30, 1936. Key words: sewage, coliform bacteria.
D	41	Memorandum concerning the bacteriological pollution of the Minnesota River between Montevideo and Granite Falls, May 8, 1936. Key words: sewage, coliform bacteria.
D	42	Memorandum concerning the pollution of Sucker Creek and Cokato Lake [Cokato, Wright County], October 6, 1936. Key words: industrial waste, algal bloom, sewage.
D	43	Memorandum concerning a reported fish killing in the Blue Earth River [Blue Earth County], October 16, 1936. Key words: industrial waste, sewage.
D	44	Memorandum on dissolved oxygen determinations on Aisle Lake, Tuttle Lake and Okamanpeedan [Lake], [Martin County], February 10, 1937. Key words: winter kill, dissolved oxygen.
D	45	Memorandum for the preliminary investigation of the pollution of the Mississippi River by pulp waste from the Hennepin Paper Company [Little Falls, Morrison County], July 22, 1941. Key words: industrial waste, pulp waste.
D	46	Field notes on the investigation of fish losses at Northfield and other points on the Straight and Cannon rivers [Rice and Steele counties], August 19, 1941. Key words: sewage, industrial waste, fish kill, dissolved oxygen.
D	47	Field notes on the investigation of fish loss in and pollution of Blue Earth River [Farmington, Winnebago], August 22, 1941. Key words: industrial waste, dissolved oxygen, sewage, fish kill.
D	48	Investigation of Rainy River [Baudette, Lake of the Woods County], June 17-18, 1937. Key words: industrial waste, pulp and paper waste, water supply.

Vol.	Report #	
1	1	Investigation of sewage disposal problem [Cleveland, Le Sueur County], January 30, 1945. Key words: septic tanks, sewage.
1	2	Investigation of sewage disposal problem [Morristown, Rice County], January 30, 1945. Key words: septic tanks, creamery waste, sewage.
1	3	Investigation of plans for sewage treatment [Duluth, St. Louis County], February 14, 1945. Key words: Imhoff tank, sewage, St. Louis River.
1	4	Investigation of plans on improvements to sewage treatment plant [Perham, Otter Tail County], February 26, 1945. Key words: creamery waste, sewage, Otter Tail River.
1	5	Investigation of plans on sewage works [Sebeka, Wadena County], March 23, 1945. Key words: creamery waste, sewage, Red Eye River.
1	6	Investigation of proposed site for rendering plant [Tunsberg Township, Chippewa County], March 28-29, 1945. Key words: industrial waste, Chippewa River.
1	7	Investigation of plans on improvements to sewage treatment plant [Springfield, Brown County], April 12, 1945. Key words: sewage, Cottonwood River.
1	8	Investigation of proposed sewage disposal facilities for Village Park [Annandale, Wright County], April 19, 1945. Key words: sewage, septic tank, Pleasant Lake.
1	9	Investigation of sewage treatment plant operation [Wabasso, Redwood County], May 7, 1945. Key words: Imhoff tank, sewage, creamery waste.
1	10	Investigation of disposal method and effect of chemical wastes [Dakota County], June 7-8 and 20, 1945. Key words: industrial waste, sulfates, nitrates, Vermillion River.
1	11	Investigation of milk wastes and sewage treatment [Pine City, Pine County], July 19, 1945. Key words: creamery waste, sewage, Snake River.
1	12	Investigation of sewage treatment plant [Adrian, Nobles County], July 26, 1945. Key words: Inhoff tank, creamery waste, Kanaranzie River.

Vol.	Report #	
1	13	Investigation of operation of municipal sewage treatment plant [Edgerton, Pipestone County], July 26, 1945. Key words: Imhoff tank, Rock River.
1	14	Investigation of Sewage Treatment Plant, Fairfax (Renville County), Nov. 11, 1945.
1	15	Investigation of Waste Disposal, Brockway (Stearns County), Nov. 14, 1945.
1	16	Investigation of Proposed Sewage Treatment Plant, Plummer (Red Lake County), Feb. 26, 1946.
1	17	Investigation of Proposed Sewage Treatment Plant, Alvarado (Marshall County), Feb. 26, 1946.
1	18	Investigation of Location and Waste Disposal System for Proposed Slaughter House, Wadena (Wadena County), Feb. 27, 1946.
1	19	Investigation of Proposed Sewage Treatment Plant, Verndale (Wadena County), Feb. 27, 1946.
1	20	Investigation of Sanitary Facility-Municipal Park, Mound (Hennepin County), March 20, 1946.
1	21	Investigation of Proposed Sewage and Industrial Waste Treatment Works, Madelia (Watonwan County), March 21, 1946.
1	22	Investigation of Proposed Sewage Treatment Plant, Le Center (Le Sueur County), March 21, 1946.
1	23	Investigation of Proposed Sewage Works Project, Ellsworth (Nobles County), March 28, 1946.
1	24	Investigation of Proposed Sewage Works Project, Lismore (Nobles County), March 28, 1946.
1	25	Investigation of Proposed Sewage Works Project, Holland (Pipestone County), March 28, 1946.
1	26	Investigation of Proposed Sewage Treatment Plant, Bird Island (Renville County), April 5, 1946.
1	27	Investigation of Operation of Sewage Treatment Plant, Long Prairie (Todd County), April 8-10, 1946.
1	28	Investigation of Stream Flow Requirements in the Red River of the North in the Vicinity of Moorhead (Clay County), April 10, 1946.
1	29	Investigation of Sewage Disposal Facilities, South St. Paul (Dakota County), April 26, 1946.

Location	Box	
1	30	Investigation of Operation of Sewage Treatment Plant, Cokato (Wright County), April 15-17, 1946.
1	31	Investigation of Operation of Sewage Treatment Plant, Wayzata (Hennepin County), April 30-May 2, 1946.
1	32	Investigation of Proposed Sewage Works Project, Lonsdale (Rice County), May 1, 1946.
1	33	Investigation of Proposed Sewage Works Project, Minneota (Lyon County), May 2, 1946.
1	34	Investigation of Operation of Sewage Treatment Plant, Chatfield (Olmsted County), May 6-8, 1946.
1	35	Investigation of Operation of Sewage Treatment Plant, Waite Park (Stearns County), May 9, 1946.
1	36	Investigation of Operation of Sewage Treatment Plant, Stewartville (Olmsted County), May 13-14, 1946.
1	37	Investigation of Method of Waste Disposal, Claremont (Dodge County), May 16, 1946.
1	38	Investigation of Operation of Sewage Treatment Plant, Hutchinson (McLeod County), May 23, 1946.
1	39	Investigation of Operation of Sewage Treatment Plant, Renville (Renville County), June 4, 1946.
1	40	Investigation of Operation of Sewage Treatment Plant, Marshall (Lyon County), June 4, 1946.
1	41	Investigation of Sewage Disposal, Round Lake (Nobles County), June 5, 1946.
1	42	Investigation of Operation of Sewage Treatment Plant, Sacred Heart (Renville County), June 5, 1946.
1	43	Investigation of Operation of Sewage Treatment Plant, Cottonwood (Lyon County), June 5, 1946.
1	44	Investigation of Operation of Sewage Treatment Plant, Clara City (Chippewa County), June 6, 1946.
1	45	Investigation of Operation of Sewage Treatment Plant, Granite Falls (Yellow Medicine County), June 6, 1946.
1	46	Investigation of Operation of Sewage Treatment Plant, Montevideo, (Chippewa County), June 7, 1946.
1	47	Investigation of Operation of Sewage Treatment Plant, Fairfax (Renville County), June 20, 1946.

51	4	Load Allocation Study for Selected Reaches of the Cottonwood River (Brown County), Jan. 1974.

Vol.	Report #	
51	5	Minnesota Water Quality: Water Years 1982-1983: The 1984 Report to the Congress of the United States by the State of Minnesota Pursuant to Section 305(b) of the Federal Water Pollution Control Act, June 1984.
52	1	Load Allocation Study for Selected Reaches of the Swan River (Itasca County), Jan. 1974.
52	2	Load Allocation Study for Selected Reaches of the Cannon River Basin (Steele, Rice and Goodhue counties), Jan. 1974.
52	3	Site-Specific Toxicity Test of Trout Creek at Bovey/Coleraine, October 1983 (Itasca County), issued Feb. 1984.
52	4	Water Body Survey and Assessment for Use Attainability Analysis of Trout Creek near Bovey (Itasca County), Feb. 1984.
52	5	Justification of Effluent Limitations for Wastewater Treatment Facility at Bovey/Coleraine (Itasca County), Feb. 1984.
52	6	Justification of Effluent Limitations for Wastewater Treatment Facility at Caledonia (Houston County), Feb. 1984.
52	7	Site-Specific Toxicity Test of the Le Sueur River at Waseca (Waseca County), Dec. 1983.
52	8	Water Body Survey and Assessment for Use Attainability Investigation of the Le Sueur River near Waseca (Waseca and Blue Earth counties), Feb. 1984.
52	9	Waste Load Allocation Study, Le Sueur River near Waseca (Waseca County), Feb. 1984.
52	10	Justification of Advanced Treatment Effluent Limitations for Ely (St. Louis County), Jan. 1985.
53	1	Mille Lacs Lake, 1981 (Crow Wing, Mille Lacs and Aitkin counties), Jan. 1982.
53	2	PCBs in Sediment from Dutch Lake Creek (Sunnybrook) and Lake Minnetonka, Mound (Hennepin County), March 1985.
53	3	Water Quality Sampling Program, Minnesota Lakes and Streams: A Compilation of Analytical Data, Oct. 1982 - Sept. 1984. Volume 12, April 1985.
53	4	Water Quality Sampling Program, Minnesota Lakes and Streams: A Compilation of Analytical Data, Oct. 1980 - Sept. 1982. Volume 11, April 1983.

Vol.	Report #	
53	5	Combined Sewer Overflows Perspective on Heavy Metal Pollutant Loads Relative to Alternative Control Programs, Minneapolis-St. Paul, (Hennepin and Ramsey counties), March 1985.
53	6	Load Allocation Study Update for the South Fork of the Crow River at Hutchinson (McLeod County), June 1985.
53	7	Acid Deposition: A Study on the Impact of Snowmelt on the Surface Water Quality of Northeastern Minnesota, Lake Superior and Rainy River Watersheds, June 1983.
53	8	Acid Rain Sensitivity: A Study of Contributing Factors in Remote Northeastern Minnesota Lakes (Cook, Lake and St. Louis counties), March 1983.
53	9	Acid Rain Intensive Study Lakes Program: Status Report for the 1981 Study Lakes, 1983.
53	10	Load Allocation Study for the Rock River near Luverne (Rock County), March 1984.
53	11	Load Allocation Study for the Rock River below Holland (Pipestone County), June 1984.
53	12	Load Allocation Study for the South Fork of the Zumbro River below Rochester (Olmsted County), Feb. 1976.
54	1	Stream Habitat Quality Assessment for Use Attainability Analysis of Raven Stream near New Prague (Le Sueur and Scott counties), Jan. 1985.
54	2	Stream Habitat Quality Assessment for Use Attainability Analysis of Union Creek near Wadena (Wadena County), Dec. 1984.
54	3	1982-84 PCB Levels in Commercial Fish Species of the Lower St. Croix River and Mississippi River, Pools 2-10, Aug. 1985.
54	4	Polychlorinated Biphenyls (PCBs) in Common Carp (<i>Cyprinus carpio</i>) of the Upper Mississippi River (1975-82), Mississippi River from St. Cloud to Alma, Wisconsin, Jan. 1985.
54	5	Fish Mercury in Northeastern Minnesota Lakes (Cook, Itasca, Lake and St. Louis counties), April 1985.
54	6	1984 Mississippi River Bacteria Study at Anoka, Minnesota River and St. Croix River, April 1985.
54	7	Toxicity Assessment of the Effluent from Boise Cascade's Insulite Division, International Falls (Koochiching County), Rainy River, 1985.

Vol.	Report #	
54	8A	Toxicity Assessment of the Effluent from Boise Cascade's Paper Division, July 21-25, 1983, International Falls, Rainy River (Koochiching County), 1985.
54	8B	Toxicity Assessment of the Effluent from Boise Cascade's Paper Division; Nov. 11-15, 1983, International Falls, Rainy River, Ranier (Koochiching County), 1985.
54	9	Toxicity Assessment of the Owatonna Wastewater Treatment Plant Effluent, Owatonna (Steele County), Straight River, 1985.
54	10	Toxicity Assessment of the Mankato Wastewater Treatment Plant Effluent, Mankato (Blue Earth County), Blue Earth River, Minnesota River, 1985.
54	11	Toxicity Assessment of the Hastings Wastewater Treatment Plant Discharge, June 1981 (Dakota County), Mississippi River, Jan. 1982.
54	12	Toxicity Assessment of the Dassel Wastewater Treatment Plant Effluent July 1981 (Meeker County), Spring Lake, 1982.
54	13	Toxicity Assessment of the Cambridge Wastewater Treatment Plant Effluent, Oct. 1981 (Isanti County), Rum River, 1982.
54	14	Toxicity Assessment of the Western Lake Superior Sanitary District Wastewater Test III - Dechlorinated Effluent (Carlton and St. Louis counties), St. Louis Bay, July 1982.
54	15	Toxicity Assessment of the Effluent from Boise Cascade Canada, Fort Frances, Ontario, Canada, June 1984, issued 1985.
54	16	A Subjective Evaluation of the Fishery Habitat in the Mississippi River from the Coon Rapids Dam to Grey Cloud Island (Anoka, Hennepin, Ramsey and Washington Counties), Minnesota River, Mississippi River, Dec. 1985.
54	17	Lower Minnesota River Waste Load Allocation Study, Shakopee (Scott County), Minnesota River, Mississippi River, Oct. 1985.
54	18	Acid Rain Intensive Study Lakes Program: Status Report for the Study Lakes (1981-1984), Brule Lake, Greenwood Lake (Cook County), 1985.
54	19	Report on Investigation of East Fork of Cedar River near Hayfield (Dodge County), July 23-24, 1980 and Feb. 3-4, 1981.
54	20	Biological Monitoring Program: An Assessment of Biological Data for 1977, 1978 and 1979, issued 1981.

Vol.	Report #	
55	1	Water Quality Sampling Program: Minnesota Lakes and Streams; A Compilation of Analytical Data for 1970-1975. Volume 8, Part A, March 1978.
55	2	Water Quality Sampling Program: Minnesota Lakes and Streams; A Compilation of Analytical Data for 1970-1975. Volume 8, Part B, March 1978.
55	3	Water Quality Sampling Program: Minnesota Lakes and Streams; A Compilation of Analytical Data, Oct. 1975 - Sept. 1977. Volume 9, May 1978.
56	1	Transparency of Minnesota Lakes, 1978, issued Feb. 1980.
56	2	Fish Tissue Monitoring Program: Minnesota Lakes and Streams; A Compilation of Analytical Data. Volume 1, Jan. 1978 - Dec. 1981 (Hennepin and Ramsey Counties), Lake Pepin, Mississippi River, issued March 1983.
56	3	Report on the Transparency of Minnesota Lakes; Citizen Lake Monitoring Program, 1981-1982, issued Feb. 1983.
56	4	Justification of Advanced Treatment Effluent Limitations for Spring Valley (Fillmore County), Deer Creek, Spring Valley Creek, July 1983.
56	5	Report on Investigation of High Island Creek near Arlington (Sibley County), Minnesota River, Oct. 1983.
56	6	Report on Investigation of Riceford Creek near Mabel (Fillmore County), South Fork of Root River, Oct. 1983.
56	7	Report on the Transparency of Minnesota Lakes; Citizen Lake Monitoring Program, 1983, issued April 1984.
56	8	Use Attainability Analysis for the North Fork of the Whitewater River near Plainview and Elgin (Olmsted, Wabasha and Winona counties), April 1984.
56	9	Use Attainability Analysis of the Chippewa River near Cyrus (Pope County), Lake Minnewaska, April 1984.
56	10	Methods for Evaluating Aquatic Habitat Quality in Minnesota Streams, Sept. 1984.
56	11	Report on Investigation of the Boy River near Hackensack (Cass County), Birch Lake, Boy River, Paquet Lake, Oct. 1984.
56	12	Stream Habitat Quality Assessment for Use Attainability Analysis of a Tributary to the Sunrise River near Lindstrom and Chisago City (Chisago County), Sunrise River, Wallmark Lake, Nov. 1984.

Vol.	Report #	
56	13	Stream Habitat Quality Assessment for Use Attainability Analysis of Manganika Creek near Virginia (St. Louis County), East Two River, Manganika Lake, Nov. 1984.
56	14	Stream Habitat Quality Assessment for Use Attainability Analysis of Williams Creek/County Ditch No. 1 near Williams (Lake of the Woods County), Jan. 1985.
56	15	Stream Habitat Quality Assessment for Use Attainability Analysis of Coburn Creek near Blackduck (Beltrami County), Blackduck Lake, Coburn Creek, Jan. 1985.
56	16	Habitat Quality Assessment for Use Attainability Analysis of the Straight River near Owatonna (Freeborn, Rice and Steele counties), Jan. 1985.
56	17	Stream Habitat Quality Assessment for Use Attainability Analysis of East Swan Creek near Hibbing (St. Louis County) St. Louis River, Jan. 1985.
57	1	Habitat Quality Assessment for Use Attainability Analysis of the Lower Minnesota River in the Twin Cities Metropolitan Area (Dakota, Hennepin and Scott Counties), Jan. 1985.
57	2	Report on the Investigation of County Ditch #46 and Hawk Creek near Willmar (Chippewa and Kandiyohi counties), March 1985.
57	3	Report on Investigation of East Fork Cedar River near Hayfield (Dodge County), July 23-24, 1980 and Feb. 3-4, 1981.
57	4	Case Study: Use Attainability Analysis of the South Fork Crow River (McLeod County), Oct. 1982.
57	5	Report on Investigation of Lily Lake near Lake Crystal (Blue Earth County), County Ditch #27, Minneopa Creek, May 1984.
57	6	Report on Investigation of Mud Lake, Albertville (Wright County), School Lake, May 1984.
57	7	Assessment of County Ditch 40A and Judicial Ditch 1A downstream of Lafayette (Nicollet County), Nov. 1977.
57	8	Assessment of a Water Basin and the Otter Tail River Downstream of Perham (Otter Tail County), Rush Lake, April 1979.
