

SUMMER INTERNSHIPS

Are you looking for a way to spend your summer that will get you college credits and valuable work experience?

The Mower County Historical Society is looking for three summer interns! We will allow you to determine the length, schedule, and area of focus. Priority will be given to undergraduate students in history, museum studies, nonprofit leadership/management, or art. Undergraduates from other concentrations are also encouraged to inquire about opportunities that may fit as well. Potential projects are:

Fundraising Exhibit Design Digitizing Records & Photos
Special Event Preparation Marketing Collections Inventory/Management
Conducting & Developing Tours Program Development Project Research

Got other ideas? We can work with that too!

If you are interested, please send a resume and letter explaining how an internship with the Mower County Historical Society would help you! Include in the letter the university that you attend and grade level. Check with your academic advisor for college credit eligibility and criteria. Internships are unpaid. **All materials must be received or postmarked by April 30.**

SEND MATERIALS TO:

Dustin Heckman
Mower County Historical Society
1303 6th Ave. SW
Austin, MN 55912
