PROJECT CATEGORY (CHECK ONE):

- 1. HISTORIC PROPERTIES (CONSTRUCTION PROJECTS)
- 2. HISTORIC PROPERTIES PLANNING (NON-CONSTRUCTION PROJECTS)

PROJECT DESCRIPTION (NO MORE THAN 20 WORDS)

1. BRIEF HISTORY AND SIGNIFICANCE OF PROPERTY(IES): Provide a brief history of the property. Explain why the property is historically or architecturally significant. DO NOT ATTACH THE NATIONAL REGISTER NOMINATION FORM TO YOUR APPLICATION.

2. PHYSICAL DESCRIPTION AND NEED: Describe the property and its current physical condition. Summarize the need for the work being proposed.

3. PROJECT PLANNING AND TIMETABLE: Describe the planning that has been completed and provide a timetable for the project.

4. PROPERTY USE AND FUNDING: Describe how the property is currently used and how it will be used after the completion of the project. Describe the intended long-term use and the source of financial resources for its continued preservation.

5. TRANSPORTATION HISTORY CONNECTION: Describe how and why the project will advance the understanding of the importance of transportation in Minnesota's history and the development of the region.

6. PUBLIC BENEFIT: How will the public benefit from the project?
