*(The previous January 26 tour date has been changed due to a conflict).

- Learn about the Minnesota Historical Society, founded in 1849, and how the Society's strategic priorities, missions and values are being carried forward.
- Hear from division and department managers about their award-winning programs and initiatives.
- See historical artifacts up close which may include Indian beadwork and pillows, silver teapots, battle flags, or wedding dresses or hats worn back in the 1900's. Items will vary from tour to tour.
- Find out how conservators repair damaged paper, textile and three-dimensional objects.

"I enjoy the presentations and getting to see how other departments work. The archives, collections and lab tours are so interesting. It's fascinating to see the vastness of the Society and all that MNHS really is.
