Weather Forecasts

SHIBOULA, Japan—A Japanese naval aviator was making a low flight over the island of Okinawa yesterday afternoon when he was shot down by a British fighter plane. The aviator was driving a Mitsubishi A6M2 Zero, a type of fighter plane which has been responsible for a number of air raids on Allied shipping in the Pacific. The aviator was killed instantly, according to reports from the British ministry of aviation.

7 Million in Armed Services To Get Home Within Year

Washington, D.C.—At least 7 million ex-servicemen are in the armed services and will be returned to civilian life within the next 12 months, according to an announcement made today by Mr. J. W. Decker, assistant secretary of war. The announcement came as a result of a conference held here yesterday by American and Allied officials.

Tax Relief High On Congress' Agenda

Washington, D.C.—Tax relief high on Congress' agenda today was indicated by an announcement made by Senator Stanley T. Watkins of Oklahoma. Senator Watkins is a member of the Senate finance committee.

Weather Forecasts

BULLETS (100,000) are being manufactured daily in Japan, according to a recent report. The bullets are being used by the Japanese army to shoot down Allied aircraft.
