TERMINOLOGY NOTICE

The terminology used to describe people we serve has changed over
time. The Minnesota Department of Human Services (DHS) supports the
use of "People First" language.

I. Background

Revision of retention instructions for the following records in order to comply with records retention regulations and assist with record-keeping requirements.

- Items 16 and 21 were deleted from the retention schedule and Items 20A, B, C, and D were added at the request of the Office of Inspector General's Office (OIG) so that the County Human Services General Records Retention Schedule now aligns with current OIG's record retention requirements.

II. Action Required

Counties have two options:

- Adopt the updated County Human Services General Records Retention Schedule in its entirety, or,
- Update existing county retention schedules to incorporate the change in retention periods.

III. Timeline

Records retention requirements should be implemented immediately.
