Rotunda floor mosaic
Floor 2
Stand in the rotunda on Floor 2 and look down at the first floor. You’ll see bronze symbols embedded in the terrazzo floor that represent Minnesota’s history and character.

Giant Minnesota postcard

Be sure to take some student pictures here—it’s the perfect photo op for your visit to the Minnesota History Center.

Star Symbol
Throughout building
Look for an eight-pointed star in the ceiling of the Great Hall, and in many other places around the building. The points on each star form the letter “M” for Minnesota, which is known as the North Star State.

State Capitol view
Floor 3
You can see this architectural masterpiece from a window just outside the Our Home: Native Minnesota exhibit.

We’re all a part of educating our next generation.
